- Debate and vote on removing the handle of the Broad St. pump.
- Revise and amend language of the handbill
- Achieve your secret objective

Next Tuesday—First Period

- Introduction—Roberts Rules of Order
- 40 minutes of prep time in factions (anti-contagionists, contagionists, undecided.)
- One hour of opening statements on the nature and origin of the disease outbreak

Cultural Competency

Ethnocentric Behavior is “characterized by the attitude that one’s own group is superior.”

What do we ask ourselves when we hear about a custom like open defecation, or work with a community to set up improved sanitation?

What experiences have you had when you’ve been judged for your culture based on generalizations and stereotypes?
