

Midterm Exam

Announcements cont.

New Grading Scheme

- Final Exam divided into two parts:
 - Part 1: Third Midterm
 - Part 2: Comprehensive Final
- I will drop your lowest midterm grade
- If you prefer original grading scheme, let me know, and I'll use that

Announcements Fri 11/22

- Reading Quiz on Monday: Grit Chamber and Primary Treatment
 - Treatment objectives and basic mechanism of each process
 - Textbook: 466-467; 473-475 (up to section 11.6)
- Pset due Monday in class
- **Individual** Lab Reports due Tuesday by 5pm. Only use your data. If you had too many invalid data points (e.g., BOD), contact me and I will give you data. When writing your report, compare values you obtained to “typical values” presented in the lab handout.

Announcements cont.

- Field Trip to a Solid Waste Management Facility on Tuesday: mandatory attendance (as usual) but only going at 8am and 10am.
- Final two labs: Role Playing: handout to start reading. I'll assign roles and give an overview on Monday.
